

Chairman's Report

Committee Structure

- **Executive Committee**
 - Customs, Policy and Compliance Sub-Committee
 - US Export Controls Sub-Committee
 - Awareness Outreach Activities Sub-Committee
 - Training Sub-Committee
 - Brexit Sub-Committee
 - Export of Technology Guidance Working Group

Executive Committee

- 5 meetings in 2019
- Sent submission to the US Department of Commerce on Emerging Technologies
- Established Industry-NGO Liaison Working Group with Saferworld and Amnesty International
- Worked with MOD on the creation of the Defence & ASSC Export Control Forum
- Briefed on, endorsed and provided input into the creation of the Export Control Profession, that operates under the auspices of the Institute of Export & International Trade

Export of Technology Guidance Working Group

- Working with ECJU to develop new guidance on electronic transfers of technology (including the Cloud).
- Members have provided feedback on where the existing guidance is lacking, highlighted questions/issues that need to be covered, including where clarification is required to assist industry's efforts to comply with the regulations.

Training Sub-Committee

- Main focus has been on finalising materials and planning for training events including London on Wednesday 20th and Thursday 21st November (Intermediate), and a proposed Beginners' event, due to take place on 17th March 2020

Brexit Sub-Committee

- Due to uncertainties on the direction of travel only one get together (conference call) so far this year after several get togethers in 2018
- On standby awaiting developments

Awareness Outreach Activities Sub-Committee

Meetings have focussed on:-

- assisting ECJU with revision of its website
- planning for the ECJU Symposium in London
- planning for other ECJU training seminars up and down the country
- the new Brexit OGEL

Other Committees

Customs, Policy and Compliance Sub-Committee

- No formal meetings but seven specific queries taken up with relevant UK Government officials.

US Export Controls Sub-Committee

- No formal meetings so far this year

Other Events

- Organised Residential US Exports Controls Workshop in September
- Met with US officials from State Department and Department of Defense in September
- Some Members of the Executive Committee also participate in the Brussels based ASD Export Control Committee

Questions for Open Forum Discussion

- What would you like to see EGADD doing over the next year?
- Are there topics for webinars that we could usefully organise?
